0304. APT confers "practitioner credentials". If you are a practitioner, you must maintain an active license in the state in which you practice. If you are not currently practicing, you must maintain an active license issued by a state licensing board whether or not you are practicing or residing in that state.

0400. Verification of Graduate Degrees and Core Content Coursework

0401. Attach a copy of your graduate transcript(s) issued by an institution of higher education. The date your graduate degree was conferred must be clearly visible.

0500. Verification of Clinical Experience

0501. All applicants must have completed two (2) years and 2,000 direct client contact hours of supervised clinical experience as a requirement for initial independent clinical licensure. Complete Form A, Section 1a. and submit a copy of your license.

0502. **RPT-S applicants only:** In addition to the hours required in 0501, applicants must complete an *additional* three (3) years and 3,000 hours of direct client contact post issuance of full, clinical licensure. 1. Convert graduate courses to clock hours. Calculation: [number of weeks] x [number of class clock hours a week] x [1.5 factor]. Example: [15-week course] x [3 graduate hours a week] x [1.5 factor] = 67.5 clock hours.
 2. Not more than 135 clock hours may be earned from the same instructor.
 3. Audited courses must be displayed on transcripts and clock hours calculated as follows:
 - a. Clock hours. Example: [15-week course] x [3 graduate hours a week] x [1.0 factor] = 45 clock hours.
 - b. Additional credit may be earned if the instructor produces a signed letter attesting the student completed all assignments and projects. Example: [15-week course] x [3 graduate hours a week] x [1.5 factor] = 67.5 hours.
0607. Calculation of clock hours received from APT Approved Providers:

1303. If the resolution of any formal complaint is adverse to a RPT or RPT-S, then, within 10 calendar days of receipt of the resolution, the CEO shall send copies of the formal complaint and other documentation relating to the complaint, including the resolution of the licensing or certifying authority, to both the RPT or RPT-S and the Ethics & Practices Committee.
1304. An RPT or RPT-S may submit to the Ethics & Practices Committee via the CEO a written statement in response to the complaint, resolution, and other documents within 10 calendar days of their receipt of such from the CEO.
